

2022 HOST HOTEL INFORMATION

Sand Storm, while not STAY-TO-PLAY, requires rooms at official Host Hotels be booked through Halpern Travel, the Official Housing Coordinator. If a Club books rooms at any official Host Hotel outside of Halpern Travel, tournament registration will be rescinded. DO NOT CONTACT HOST HOTELS DIRECTLY.

Secure rooms early as this is a sell-out weekend in the Coachella Valley. Teams must be registered to qualify for accommodations.

Preferred Rates! lowest rates and discounted resort fees
Comp Nights! earned comps generated by pick-up are passed on to Clubs

Qualified Clubs that booked rooms in 2020 will be contacted by Halpern Travel. Priority Club Concierge room blocks are allocated first come - first serve, based on availability, to registered teams. Rooms cannot be blocked for waitlisted teams until confirmed. Individual rooms held under Concierge blocks must be reserved by September 30th.

A **Concierge Club Room Block Agreement** outlining the authorized block & terms will be submitted to Club for electronic signature. Upon receipt of signed Agreement, Club Concierge Room Block will be formally allocated/held in the reservation system by Halpern Travel, who will provide Club with pertinent reservation link and instructions within 5 business days. Club is responsible for providing the reservation instructions - including applicable rates, policies & procedures - to its members, who will then make their individual reservations through Halpern Travel.

RESERVATIONS & PAYMENT:

Individual Reservations under the Concierge Club Room Block will be accepted through Halpern Travel - first come-first serve, based on availability – through the designated Club Room Block Reservation deadline. All reservations are subject to Host Hotel policies. Halpern Travel will provide Host Hotel with a rooming list of the Club's reservations within 3 weeks of the Event, upon which Hotel will assign individual guest confirmation numbers that Halpern Travel will provide directly to guests.

Halpern Travel will send automated reminders as Club Room Block Reservation Deadline approaches and Club can communicate with its members as needed. Club can also request to receive an *On-Hold Block Rooming List link* from Halpern Travel allowing them to see reservations made under block. Following the Club Room Block Reservation Deadline all unsold rooms will be released and made available for open booking through the online, real-time reservation system.

Individuals are responsible for payment of their own room, tax, incidental charges and any other associated service fees. A major credit card is required to guarantee a reservation. Special requests are solely at the discretion of the hotel to apply/honor; no refunds for early departures; certain fees may apply in the event of a late check-in/out or early departure. Clubs can set up a Master Account by submitting a credit card authorization.

RESERVATION CHANGE / CANCELATION:

Any changes to an individual reservation required up until the Individual Cancellation Deadline should be made directly with Halpern Travel. After such date, changes must be made directly with the Host Hotel, with cancellations subject to a penalty of one night's room and tax. Please note that Halpern Travel will be managing all reservations through their system, so Host Hotels will not recognize individual reservations until they have assigned confirmation numbers. In addition, many hotels process group reservations in-house, providing on-property confirmation #'s that are NOT always recognized by their central reservation system. Therefore, it is imperative that members utilize the reservation instructions provided to make, change or cancel a reservation through Halpern Travel.

Club Cancellation – As of 60 days prior to arrival, Club is responsible for utilizing 80% of the reserved block. If Club cancels its room block or if more than 20% of reserved rooms are cancelled within 60 days of Event, Club may be held financially responsible for any attrition penalties assessed by Host Hotel on unsold rooms. Club should therefore refrain from reserving "extra" rooms beyond the Club Cancellation Deadline.

Individual Cancellation – Reservations are subject to an Individual Reservation Cancellation Deadline (typically 72 hours prior to arrival unless otherwise noted) and administered at the sole discretion of Host Hotel. The service fee charged to process each online reservation is non-refundable in the event of a cancellation.

COVID-19 Cancellation –The Concierge Club Room Block Agreement is subject to termination without liability upon the occurrence of circumstances beyond the control of either party – such as acts or regulations of government authorities, epidemics, pandemics and curtailment of transportation to the extent that it is illegal, inadvisable or impossible to provide or use the Hotel facilities or for the event to operate.
